Memory Reconsolidation: Chapter 9. Reconsolidation in Humans

Elizabeth A. Phelps, Daniela Schiller

Memory Reconsolidation: Chapter 9. Reconsolidation in Humans Elizabeth A. Phelps, Daniela Schiller
This chapter provides a comprehensive review of research on reconsolidation in humans to date. It examines the different techniques that have been used to explore memory reconsolidation in humans and highlights some of the unique challenges that arise when investigating reconsolidation in human participants. Through this survey of existing studies, we explore some of the reasons why this science has been slow to emerge, and we suggest some potential avenues for future research.
