My Ex-Best Friend: A Novel of Suburbia Beth Brophy

Journalist, wife, and mother of three, Claire Newman juggles work, soccer games, birthday parties, and errands. A successful writer at *Nationweek*, America's second largest newsweekly, she makes her living by being, as she says, "a relentless snoop," but she never was able to figure out why her best friend of twenty-three years, Lydia Finelli, dropped out of her life with no explanation. Claire hasn't seen Lydia in five years, and her unresolved hurt and anger still linger, brought to the surface by a chance encounter at the local bakery. When Lydia calls Claire and asks for her help, urging her to come discuss the situation in person, Claire figures it is one of "life's rare opportunities to tie up a loose end."

But when Claire arrives at Lydia's house, she finds her ex-best friend dead. While all the obvious signs point to suicide, Claire can't shake the feeling there's something very wrong. The irrepressible, feisty Claire starts investigating, and soon the list of suspects includes Lydia's neurologist husband, her psychiatrist neighbor, and even her son's handsome soccer coach. As Claire uncovers the secrets of her friend's past, and their relationship, the puzzle becomes even more complicated, and she finds that she really didn't know Lydia very well at all.

But knowledge comes with a price, and as Claire unravels the mystery of Lydia's death, she puts herself -- and the people she loves -- in harm's way.

Smart and funny, with razor-sharp storytelling, *My Ex-Best Friend* is the debut of a fresh new voice in contemporary fiction.

Kinds of this guide are various. Not only by simply written or printed but also can you enjoy this book by simply e-book. In the modern era including now, you just looking by your local mobile phone and searching what your problem. Right now, choose your own personal ways to get more information about your reserve. It is most important to arrange yourself to make your knowledge are still upgrade. Let's try to choose proper ways for you.

Chris Holmes:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this My Ex-Best Friend: A Novel of Suburbia can make you feel more interested to read.
