Teaching Physical Education in the Primary School Bev Hopper, Jenny Grey, Patricia Maude

This book includes information on all six areas of the PE National Curriculum (games, gymnastic activities, dance, swimming, outdoor and adventurous activities, athletic activities), to increase subject knowledge and to develop teaching, management and planning skills.

This book provides professional development for generalist primary teachers and student-teachers and also offers support to subject leaders charged with the responsibility for other colleagues. It will build on current practice and aim to increase knowledge, understanding, confidence and enthusiasm in an area of the curriculum which often receives a very short time allocation during initial teaching training courses.

Teaching Physical Education in the Primary School is a comprehensive guide to the subject for primary educators. It deals with not only the teaching and learning of PE, but also everything that is relevant to co-ordinating the subject.
