Can happily-ever-after start with a list? After ten years of working, saving and investing, Grey Andrews finally achieved a level of wealth that allows him to do what he wants with his life. He needs a woman to share it with, but not any woman, the perfect woman. The mate he's seeking will have the three essential qualities on his marriage list. After three years of searching he isn't any closer than he was when he started out. Carrie Tucker, an aspiring mystery writer and divorcée struggling to make it in the world of advertising, turned her focus from men to her career after dating too many creeps and losers. She's finally earned her big break, a once-in-a-lifetime opportunity to become the first female creative director in this hot New York ad agency. Each with their own agenda –will they get stopped in their tracks? Can a chance meeting at a fiction-writing conference change their lives forever?
