Three leading scholars of Latino religious studies team up in this edited collection to present original meditations and reflections on Our Lady of Guadalupe, one of the most prominent religious images of the western hemisphere. Newest in the *Celebrating Faith* series, this book considers the meaning behind the symbol of Guadalupe. Because of the wide array of contributors, the figure of Guadalupe is examined from a variety of viewpoints: Catholic and Protestant, male and female, scholarly and liturgical.

Written in a scholarly, yet spiritual manner, this analysis of Guadalupe recognizes her dual roles of maternal figure and inspiring evangelizer. Contributors discuss the history of Guadalupe and analyze how to carry out her message and teachings in contemporary society. *The Treasure of Guadalupe* is ideally suited to courses in Latino religious and cultural studies, and adds important contributions to the ongoing dialogue of Our Lady of Guadalupe.
