He has been working on something and it might help the kid, but this has **never been tested** on humans before.

TITLE: Mail From The Dead

Lucille Plumsweet is your average girl, in your average town, with your average rivalry with another girl over a silly boy. So when Lucille starts getting **mail** from someone who claims he is the **dead great grandfather** of the her crush, she is delighted. However things quickly turn dark when a special package arrives in the mail.

TITLE: The Dying Breed's Soul

Pierce Hawken is the last of a dying breed. **Dragonslayers** have all but hunted the monstrous beasts to extinction. Tracking a huge, deadly beast through unforgiving terrain, he corners the dragon. And kills it. With the aid of an **ancient and mysterious** sword. But something entered into him when he killed the dragon. Something that will forever change him. For better, or worse. Because there is no stopping it. He will become the thing he hates most, and it will consume him.
