When actress Bella James relocates to the town of Niagara-on-the-Lake to perform at the renowned Shaw Festival, she is only looking to step out of the spotlight of television celebrity and onto the stage. Then she finds long-buried human remains in the yard of her rented cottage. Upon learning that a woman was brutally attacked in the home thirty years earlier, Bella becomes convinced the two events are inextricably linked and that a deeper story was buried along with the bones. With the help of a detective desperate to prove his worth, Bella begins asking questions that should have been asked decades earlier about a victim no one seems to have missed. In doing so, she soon finds herself embroiled in a dangerous drama both on and off the stage. Encore is a fast-paced mystery that combines humor, heartbreak, and plenty of suspense. Set in the picturesque town of Niagara-on-the-Lake, Encore offers a backstage look at life in the theatre along with plot twists that will surprise and delight even the best armchair sleuth.
