## Field Guide to Spiritual Warfare: Pull the Impossible Michael J. Norton

Michael Norton's *A Field Guide for Spiritual Warfare* is an highly engaging text, filled with vital counsel on cooperating with the Holy Spirit in taking the Mark 16 commission—sharing the Gospel, healing the sick, and casting out demons—to the streets. As Norton stresses and as his own ministry attests, the focus is not *primarily* on deliverance, but on the Gospel being preached; signs and wonders will naturally follow those who believe. A true equipping tool, *A Field Guide* advocates both the authority of the believer and a crucial dependence on the Holy Spirit, and provides a model for deliverance ministry operating in the darkest places, “*making the impossible bow down to the name of Jesus!*”
