The forward-thinking techniques you need to manage today's diverse classrooms

Contemporary educators know that discipline-based classroom management is less effective in today's schools. Evidence shows that a strategy of culturally responsive engagement is essential to giving students the best education, whatever their background. In a readable and compelling text, Laura E. Pinto outlines:

- Keys to developing the cultural fluency necessary to prepare all students for success.
- Exercises for teachers to reflect deeply on how they manage their classrooms, and identify areas for improvement.
- 45 easy strategies—including many that support the Common Core—for boosting engagement and cultural responsiveness in the classroom
