Inhabiting Heaven NOW: The Answer to Every Moral Dilemma Ever Posed Andrea Mathews

Heaven. We say the word with both a hope of long-awaited bliss and a certain but wistful knowledge that the wait will continue. Life is hard, we say, and the world will end with a whimper or a bang by the hands of blind and evil humans. But then there's heaven. Yet, what if heaven could be experienced every day right here, right now on planet earth - and the only thing that keeps that from happening is the lie. The lie that we are separate from the Divine due to our polarized sinful, bad, even evil natures. What if, because we are blinded by that lie, we cannot see that we are already living in heaven, in fact, we ARE heaven? And what if those truths could actually be found in the Bible itself, as well as in all of the other sacred texts of the world? What if all that really needs to happen is that the scales fall off of our eyes? If that were true - would you be willing to see? Inhabiting Heaven NOW offers such a brilliant, transformative light that you will not be able, after the read, to turn it off. Its arguments are so lucid, its truths so profound, and its simultaneous practicality so real that the reader simply cannot walk away unchanged.
