IT'S JUST ME is a true story about Cecilia Wilson's real life test. As a young boy growing up in the early 1960's he knew he was different but didn't know how to explain it. Someone predicted he would be a preacher when he grew up. But what was he supposed to do about his gender identity? He could not reconcile his love for God and desire to be a preacher with his belief he was or should be a woman. For 24 years, he wrestled within himself trying to make sense out of the chaos of his life. It was like a battle raging in his mind, heart and body all at the same time. In August, 1990 Cecilia transitioned and became a woman.

In February, 2009 Cecilia and her life partner, June, created the "Transgenders of Faith" ministry to help other Christians answer their questions: "Does God love me? Can I be true to myself and be a person of faith?" If you or a loved one struggles with these issues, this is the book to read.
