*Use effective questions to advance student thinking, learning, and achievement!*

Authors Walsh and Sattes provide an in-depth look at how quality questions can transform classrooms. Drawing on two decades of research on teacher effectiveness, the authors offer strategies that engage all students in the teacher's questions and prompt students to generate their own questions. **Quality Questioning** includes:

- A complete framework for preparing and presenting questions, prompting and processing student responses, teaching students to generate questions, and reflecting on questioning practice
- Checklists for classroom applications
- Reproducibles, rubrics, resources, evaluation tools, and more
