The Dragon Nimbus Novels: Volume I: 1 Irene Radford

This brand-new omnibus is the first in a series collecting Irene Radford's acclaimed *Dragon* novels.

Volume I includes the complete trilogy of *The Dragon Nimbus: The Glass Dragon, The Perfect Princess, and The Lonliest Magician*

The Glass Dragon:

In a realm that has always been protected by its magicians, a kingdom whose ruler's life and power is inextricably linked with that of the dragons, a time of crisis has arrived. Someone is killing the dragons, and as their numbers diminish, magic is fading from the kingdom of Coronnan. The kingdom's unlikely saviors are a young wizard whose magic is completely unorthodox and an equally young witchwoman who has been befriended by the last of the dragons.

The Perfect Princess:

Though rogue magic has long been banned in Coronnan, the loss of dragon magic has opened the way for masters of these forbidden spells to wreak havoc on the kingdom. Only if Prince Darville can tame the forces of magic and rescue the spell-trapped princess who is fated to be his bride, does he have any chance to save crown, kingdom, and dragons.

The Loneliest Magician:

As war rages between the armies of Coronnan and SeLenicca, an equally desperate campaign is being fought between the Commune, which uses dragon magic, and the coven, which draws its power from an older, darker source. The only hope of saving Coronnan, the king, and the Commune lies in finding the dragons and bringing them back. A young orphan is being called by the dragons, lured with the promise of discovering his true identity. Can an untested youth venture into the heart of the enemy's stronghold and find the means to set the dragons free?
