## **The Vegan Cookie Connoisseur: Over 140 Simply Delicious Recipes That Treat the Eyes and Taste Buds** Kelly Pelosa

Kelly Pelosa started experimenting with vegan baking as a high school student, blogging about her vegan adventures all the while. Her amazing recipes and gorgeous photos drew a crowd of eager readers who have been begging her for a cookbook ever since. Now an energetic, spunky college student, her book is finally ready for her anxious audience. From double peanut butter sandwich cookies and coconut caramel butter cookies to raspberry almond cookies and inside out peppermint patties, these delicious and imaginative recipes are sure to inspire bakers of all ages.

Pelosa is committed to using ingredients that are easy to find, natural, and simple to use. You won't find egg replacer, expensive cooking oils, or hydrogenated margarine in her recipes. "Making a batch of chocolate chip cookies shouldn't involve running to five different health food stores searching for some elusive ingredient," she writes. But you will find helpful tips for things like substituting margarine for oil in recipes, experimenting with non-dairy milks, using whole wheat flour, and ensuring the sugar you use was not processed with animal bone char. The result is a simple, thorough, and inspiring collection of mouthwatering cookies anyone can make and everyone will love.
