**Use technology to focus on your students!**

In this step-by-step guide, teacher and education blogger Catlin Tucker outlines the process for integrating online discussion with face-to-face instruction in a way that empowers teachers to focus their energies where they're most needed. With concrete strategies, ready-to-use resources, and sample rubrics grounded in the Common Core State Standards, this book shows teachers how to:

- Increase engagement and drive higher-order thinking
- Prepare students for high-stakes exams without sacrificing class time
- Assess online work
- Personalize learning and differentiate lessons
- Move toward flipped instruction to create a student-centered classroom
