Hawkmoon: The Sword of the Dawn Michael Moorcock

In Michael Moorcock's vast and imaginative multiverse, Law and Chaos wage war in a never-ending struggling over the fundamental rules of existence. Here in this universe, Dorian Hawkmoon traverses a world of antique cities, scientific sorcery, and crystalline machines as he pulled unwillingly into a war that pits him against the ruthless and dominating armies of Granbretan.

In *The Sword of the Dawn*, Dorian Hawkmoon's quest to destroy the Dark Empire of Granbretan leads him onto the path of a man who possess a rare ring that allows men to travel through time. Hawkmoon uses this ring to travel to a far future New Orleans, where he must battle the Pirate Lords who possess the Great Sword of the Dawn, which can end the Dark Empire once and for all.
