Rereading Israel: The Spirit of the Matter Bonna Devora Haberman

Setting aside vitriolic debates and worn postures, *Rereading Israel* refreshes current conversations about Israel, opening Jewish sources to interpret Israel in critical, innovative, and inspiring ways. The book presents readers with an opportunity to engage ethically, intellectually, and emotionally, challenging them to apply the resources at their disposal to grapple honestly and creatively with land and people, history, text, and spirit. This consideration invites those who read into a deep exploration of their roles and their relationships to the destiny of a profoundly human and unfinished sacred project.
