The Divine Embrace (Ancient-Future): Recovering the Passionate Spiritual Life Robert E. Webber
Learn to live out true Christian spirituality in today's world

In *The Divine Embrace*, part of his acclaimed *Ancient-Future* series, Robert Webber lays the foundation for understanding Christian spirituality by tracing it from the ancient church to the present, showing how biblical teaching has been developed theologically and informed by changes in culture. He then explores how we can return contemporary spirituality to its biblical source, living out God's story in our individual lives and in our life together as the church. You will be encouraged and equipped to live out your spirituality as a deeper and more delightful response to God's divine embrace.

"Robert Webber's new book places him in the good company of Dallas Willard, Richard Foster, and Eugene Peterson as one of our most important thinkers about spiritual formation for authentic Christian living. It provides fresh, wise, and challenging guidance that is rooted in a career of Christian leadership development. It draws from decades of research in church history and spirituality, and flows from the mind of a scholar and the heart of a practitioner. I am a fan of all his work, but I think this is his best and most important book to date."-Brian McLaren, author/speaker, brianmclaren.net

"Do not read this book alone! Bob Webber is right: authentic Christian spirituality is a shared response of believers to God's actions on our behalf. Get your small group, Sunday school class, or church to study this challenging message together."-David Neff, editor, Christianity Today magazine

"Robert Webber-one of our most trusted voices on worship and discipleship-takes spirituality out of the closet of privacy and individualism and locates it smack in the middle of friendship and community. His is a wonderful, unique vision that cuts across the grain of the 'spirituality industry.'" -James K. A. Smith, associate professor of philosophy, Calvin College

Robert E. Webber is Myers Professor of Ministry at Northern Seminary and the president of the Institute for Worship Studies. He is the author of over thirty books, including *Ancient-Future Faith* and *The Younger Evangelicals*.
