In the light of a blue moon, the second full moon in a month, Maxine discovers something amazing in the grass: a magical moon ring! Ahead lies a night of adventure beyond anything Maxine could have imagined, as she is whisked around the globe, from the ice floes of Antarctica to the sunbaked African savannah to the neon lights of New York City. Is it all just a dream? Only Maxine and her grandmother know for sure. Playful illustrations make this exciting adventure story one that children will ask for over and over again! Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
