Top 5 Masterpieces vol 1 (Art for Kids) Klaus H. Carl

Ever since the ancient greeks sculpted the first kouros, children have been a source of inspiration for some of the world's greatest artists. Whether portraits of their own children, friends, and family members, or a nostalgic psychological portrayal of the artist's own youth, depictions of children in art remain arresting examples of an intersection between the picturesque innocence of childhood and the methodical work of adult artistry. In this delightful new puzzle book, children get a chance to see little boys and girls just like them as portrayed by great artists, learning about how children grew up throughout history while experiencing a genuine connection with works of artistic genius.
