El principio de Peter (Spanish Edition) Laurence J. Peter, Raymond Hull

**¿Conoces tu nivel de incompetencia?**

**Una obra polémica, irónica y de una lucidez muy necesaria para comprender los desatinos y atrocidades que cometemos contra el mundo y contra nosotros mismos.**

El ser humano tiende a ascender hasta llegar al nivel de su incompetencia. El resultado de tan irracional escalada está a la vista: guerras, deterioro medioambiental, injusticias sociales, carreras a ninguna parte... Si el hombre quiere rescatarse a sí mismo de una futura existencia intolerable debe, en primer lugar, ver a qué punto de no retorno le conduce su insensata escalada.

\*\* *El principio de Peter* se ha traducido a 14 idiomas

## Los lectores han dicho...

«Este es un libro que no solo todo administrador o dueño de empresa debiera leerse... si no también cualquier funcionario público.»

«*El Principio de Peter* es una realidad que podemos encontrar en todas partes; ahora sabemos por qué la gente comete errores y por qué existe incompetencia en cada empleado. Recomendado para aquellos que creen que sus subordinados son más importantes que el rendimiento laboral.»
