Sí, pero no unos padres cualesquiera; de ser así, el remedio podría ser peor que la enfermedad. Este adolescente necesita un padre y una madre que le amen como lo amáis vosotros, que le comprendan como lo hacéis vosotros, que estén dispuestos a ayudarle como lo estáis vosotros, que tengan claras las pautas a seguir como las tenéis vosotros; pero, que a su vez, puedan ejercer de padres por encima de su particular experiencia personal, que no conviertan a su hijo en víctima de sus carencias, represiones, temores, inseguridades, dependencias y demás secuelas emocionales negativas. En definitiva, un padre y una madre que rocen la excelencia a partir de una renovación interior gracias a la aportación que sus hijos han realizado en su vida.

Yes, but not just any parents, or the cure could be worse than the disease. This teenager needs a father and a mother who are able to love, understand, help, guide, and act primarily as parents above their own personal experiences; parents who will not make their child a victim of their own needs, repression, fears, insecurities, dependencies, and other negative emotional baggage. This teenager needs a father and a mother of excellence, who are being internally renewed by the contribution their children have made in their lives.
