## **If in Later Years** Ron Moore

*If in Later Years* is filled with poems of depth and insight that provoke, engage, surprise, and astound. Reading Ron Moore's second collection of poetry takes readers on journeys around the world and back through the ages of time. Each poem is written with great insight, learning, and craft, and each invites multiple readings and reflection.

From a Tibetan monk sitting in silence and contemplating the atom to a love affair with Buenos Aires, Moore takes his readers on journeys that are both personal and profound. While each poem has its own voice and beauty, Moore shapes all of them with lyrical and mindful skill. Unafraid to tackle the hard questions of philosophy, aesthetics, consciousness, and art, he uses his poems to delve into themes of desire, loss, love, beauty, and the distant horizons of the mind.
