Line of Fire: Diary of an Unknown Soldier Barroux

A graphic adaptation of a 100-year-old diary brings World War I history to life

One winter morning, Barroux was walking down a street in Paris when he made an extraordinary find: the real diary of a soldier in World War I. Barroux rescued the diary from the trash and illustrated the soldier's words. In this striking black and white graphic novel adaptation of a 100-year-old diary, the events of the first two months of World War I are given fresh meaning and relevance to modern audiences. This is living history that has the power to engage new generations through one man's story that is silhouetted against the historical events that formed and transformed the world we live in today.
