Scott F. Aikin, Robert B. Talisse

Why We Argue (And How We Should): A Guide to Political Disagreement Scott F. Aikin, Robert B. Talisse

Why We Argue (And How We Should): A Guide to Political Disagreement presents an accessible and engaging introduction to the theory of argument, with special emphasis on the way argument works in public political debate. The authors develop a view according to which proper argument is necessary for one's individual cognitive health; this insight is then expanded to the collective health of one's society. Proper argumentation, then, is seen to play a central role in a well-functioning democracy.

Written in a lively style and filled with examples drawn from the real world of contemporary politics, and questions following each chapter to encourage discussion, *Why We Argue (And How We Should): A Guide to Political Disagreement* reads like a guide for the participation in, and maintenance of, modern democracy. An excellent student resource for courses in critical thinking, political philosophy, and related fields, *Why We Argue (And How We Should): A Guide to Political Disagreement* is an important contribution to reasoned debate.
