Youth Resistance Research and Theories of Change (Critical Youth Studies)

Youth Resistance Research and Theories of Change (Critical Youth Studies)

Youth resistance has become a pressing global phenomenon, to which many educators and researchers have looked for inspiration and/or with chagrin. Although the topic of much discussion and debate, it remains dramatically under-theorized, particularly in terms of theories of change. Resistance has been a prominent concern of educational research for several decades, yet understandings of youth resistance frequently lack complexity, often seize upon convenient examples to confirm entrenched ideas about social change, and overly regulate what "counts" as progress. As this comprehensive volume illustrates, understanding and researching youth resistance requires much more than a one-dimensional theory.

Youth Resistance Research and Theories of Change provides readers with new ways to see and engage youth resistance to educational injustices. This volume features interviews with prominent theorists, including Signithia Fordham, James C. Scott, Michelle Fine, Robin D.G. Kelley, Gerald Vizenor, and Pedro Noguera, reflecting on their own work in light of contemporary uprisings, neoliberal crises, and the impact of new technologies globally. Chapters presenting new studies in youth resistance exemplify approaches which move beyond calcified theories of resistance. Essays on needed interventions to youth resistance research provide guidance for further study. As a whole, this rich volume challenges current thinking on resistance, and extends new trajectories for research, collaboration, and justice.

From reader reviews:

Joyce Matchett:

As people who live in the particular modest era should be update about what going on or info even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe can update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know what type you should start with. This Youth Resistance Research and Theories of Change (Critical Youth Studies) is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Ramona Wegener:

Information is provisions for anyone to get better life, information these days can get by anyone in everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is inside former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Youth Resistance Research and Theories of Change (Critical Youth Studies) as your daily resource information.

Alfred Greenwell:

Many people spending their time frame by playing outside with friends, fun activity with family or just watching TV the whole day. You can have new activity to pay your whole day by reading through a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Cell phone. Like Youth Resistance Research and Theories of Change (Critical Youth Studies) which is getting the e-book version. So , why not try out this book? Let's view.

Amado Spieker:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Youth Resistance Research and Theories of Change (Critical Youth Studies) can make you really feel more interested to read.
