First comes love, then comes marriage, then comes baby in the baby carriage -- but Hannah's doing it in the wrong order.

Hannah has a secret. She's given up her dream of a traditional family and gone to a sperm bank. She's thrilled to be pregnant, but she doesn't want her handsome new boss Luke asking too many questions.

Luke is a high-powered trial attorney. He doesn't have time for love, but he finds his new secretary Hannah increasingly attractive. And he senses that there's something she's not telling him.

Baby Comes First is a quirky, sweet romance on sale for 99 cents for a Limited Time.
