Changing Politics of Canadian Social Policy

James J. Rice, Michael J. Prince

Changing Politics of Canadian Social Policy James J. Rice, Michael J. Prince

A consistent bestseller since its publication in 2000, *Changing Politics of Canadian Social Policy* is a one-of-a-kind resource in the fields of political science and social work. Examining current conditions affecting the development of social policies in Canada, this book offers in-depth critical analysis of how these policies first arose and the implications they pose for future policy development.

This new edition of *Changing Politics of Canadian Social Policy* features updated chapters while retaining the first edition's analytical focus on economic globalization, societal pluralization, and social protection. The authors offer fresh considerations of gender relations and families, community agencies and the voluntary sector, as well as the social policy activities of all levels of government in the Canadian federation. *Changing Politics of Canadian Social Policy* will continue to provide the much-needed groundwork for students and policymakers, as well as propose real solutions for the future.
