Elucidations Hans Urs von Balthasar

The object of these 'elucidations' by the renowned theologian Balthasar is to offer a concise and summary treatment of a few essential questions concerning the substance of the Christian life, experience, and faith, which today are in dispute or-as is true of many-are disappearing into oblivion. Each chapter stands on its own. Together they bear witness to an underlying comprehensive vision; they are a few rays which all radiate from the same center. Among the some twenty-five chapters/topics Balthasar covers are "The Personal God", "The Marian Principle", "Authority and Tradition", "Unmodern Prayer", "The Pope Today", and much more.
