Ghazali on the Principles of Islamic Spirituality: Selections from The Forty Foundations of Religion-Annotated & Explained (SkyLight Illuminations) Aaron Spevack

The wisdom of one of the greatest scholars of Islam can be a companion on your own spiritual journey. Considered by many to be the all-time greatest scholar of Islam, Imam Abu Hamid al-Ghazali (1058–1111) was also one of the foremost sages of theology, philosophy and Sufism. His writings on the interrelation of law, theology and mysticism were central in establishing Sufism as a core dimension of orthodox Islamic practice. Muslim communities all across the world today still base much of their practice of Islam on Ghazali's writings. The Forty Foundations of Religion, Ghazali's own summary of his magnum opus, The Revival of the Religious Sciences, serves as a brief and powerful summary of Islamic faith, worship, law and spirituality. It outlines the basis of Islamic belief, the foundational matters of ritual and practice, and the character traits a person must cultivate and avoid in the perfection of faith.
