Starlight 3

Starlight 3

Since its debut in 1996, *Starlight* has been recognized as the preeminent original anthology of science fiction and fantasy. Its stories have won the Nebula Award, the Sturgeon Award, and the Tiptree Award. *Starlight 1* itself won the World Fantasy Award for Best Anthology. The series represents the best new short fiction in fantasy and SF.

Now, with *Starlight 3*, award-winning editor Patrick Nielsen Hayden offers a new serving of powerful, original stories. Some are playful, some rigorous, or exuberant, or melancholy; some are set in the world of today, and some amidst the farthest stars or in worlds that never were.
