Not all true love is destined to last . . .

Livia knows three things about love so far:

1. People don't always tell you the truth about how they feel.
2. Nothing that happens between two people is guaranteed to be private.
3. She doesn't know if you ever get over having your heart broken.

Livia's experience of love has been disappointing to say the least. But all that is about to change. After years of illness, she's off to spend the summer with her brother in America. She's making up for lost time, and she's writing it all down in her private blog. America is everything she ever dreamed of - and then she meets Adam. Can Livia put the past behind her and risk falling in love again?
