Checkmate...

Despite a month of peace from hybrid attacks, the constant threat of violence has the loup garou on edge. Knight McQueen's home feels like a military compound and his people have become battle-weary soldiers. And Knight's tenuous grip on his own self-control has been further damaged by the disappearance of the only woman whose touch brings him peace.

Held prisoner by her hybrid half-sisters and forced to care for an unknown child, Shay Butler's quarterly is approaching but a silver-laced collar prevents her from shifting. As her time draws closer, her sanity begins to slip.

The opportunity to rescue Shay arrives when Magus enemy Archimedes Atwood requests a parley to discuss ways to end the conflict between their people and stop the rogue hybrids. Alpha Bishop McQueen agrees, bringing his brothers together to form a plan that will bring Shay home to Knight, stop the final two hybrids—and finally bring Archimedes to justice once and for all...
