*A Novel of Life and Death...and Shoes*

Claire Fontaine is sassy, sexy, sophisticated, and rich. Henry Bennett is fat, sloppy, slow, and a bad dresser. He's a private eye, and as far as he's concerned, she's his assistant. As far as she's concerned, he's her partner. Their entire relationship, in fact, is one big difference of opinion, and the results are hilarious.

Now Henry has been hired to investigate the murder of a young woman who liked to party. Claire helps (or hinders, depending on your point of view) when she can drag herself away from her Brentwood mansion and the James Bond-like hunk who lives next door. As Claire and Henry try to trace the victim's last known companions, they stumble across streets that the rich and famous desperately try to hide.

If you like sleuths who are stylish, seductive, and full of great fun, then Claire Fontaine is the crime fighter for you.
