Come diventare felici con la Divina Commedia

Primo quaderno. Come riconoscere il male. L'Inferno

Quali sono i caratteri e i segni della perduta gente? Come si comportano, quali sono i modi di sentire e di pensare dei numerosi personaggi infernali? Come si presentano e quali argomenti portano per giustificare o abbellire la loro colpa? E soprattutto quanto ne sono consapevoli? A queste domande intende rispondere l'autrice, attraverso un'indagine psicologica e umana che viene di volta in volta estratta dal testo, dalle parole chiave, dalle corrispondenze interne all'opera e che non viene mai calata dall'alto o dall'esterno. In tal modo viene salvaguardata la storicità, ma viene anche esaltata la straordinaria attualità della prima cantica della Divina Commedia, il cui scopo nelle intenzioni del poeta era di illuminare le zone buie della coscienza per liberare il lettore da tutti gli errori, che a catena causano il male di vivere.
