Destined Mate Katie Reus

Almost a century ago, Angela Lavigne and Alpha werewolf Knox had a shared passion neither could control. Then Angela was turned into a vampire and disappeared.

The last thing Knox expects is for Angela to show up on his doorstep on a rescue mission, as sexy and irresistible as ever. And he can sense how much she still wants him, too. She's gone against both their species' rules and trespassed on his land. By law he can keep her as long as he wants--and Knox doesn't intend to let her go ever again.

As their desire explodes once again, Knox is more sure than ever that he must claim her forever. But as vampire and werewolf, they are natural born enemies. Can she truly be his destined mate?
