The Void (The Tanner Sequence Book 3)

Timothy S. Johnston

The Void (The Tanner Sequence Book 3) Timothy S. Johnston

2403 AD

It would be easier to kill him than to trust him.

Transporting a serial killer might seem like a simple job for CCF Homicide Investigator Kyle Tanner. After spending years apprehending murderers, he's ready to hang up his pistol. Babysitting a prisoner will bring him to Alpha Centauri, where he can search for a way to escape the CCF forever.

If he makes it.

When his ship breaks down in deep space and a CCF research vessel comes to his aid, Tanner realizes he's in terrible danger: the scientists on board have blocked his distress call. And when Tanner's prisoner escapes, he begins to suspect that the proximity of the research vessel had nothing to do with luck and everything to do with the CCF's relentless reach.

Facing near-certain death by his own organization, Tanner must unravel a tangled skein of vengeance, duplicity and murder in deep space. But he's being held at the will of master puppeteers, and if he can't cut the strings, he'll dance straight to a gruesome, excruciating death....
