For some people the Bible is filled with images and historical events that don't seem to be relevant or applicable to our day and age. In VICTORY Elza Meyer shows that the exact opposite is in fact true.

In this book the author emphasizes certain timeless biblical concepts and shows how these age-old truths affect modern-day believers. Based on a vision she had one night, she urges believers to take the Bible, and the God of the Bible, seriously. Only then can they expect to be abundantly blessed.

VICTORY encourages believers to look to the God of the universe and to live according to His values. Then they will triumph over the red horse of war, the black horse of famine, and the pale horse of death (Rev. 6:1-8).
