Finally Abby is thirteen. A real teenager who only wants to pierce her ears, have a boyfriend, and run her own life. But when her mother suffers a nervous breakdown, Abby faces a life far different from what she hoped for. Set in the Bay Area in the '70s, *An Egg on Three Sticks* is Jackie Moyer Fischer's emotional, funny, and extraordinarily heartfelt novel about Abby's struggle to hold her family together, find love from a mother who has little to give, and simply try to be thirteen.

With a voice completely fresh and honest, Abby takes us on a journey that is often hilarious, sometimes heartbreaking, and overwhelmingly hopeful. But a journey no thirteen-year-old should have to take.
