The Nursery Alice Lewis Carroll

"I wrote to Macmillan to suggest a new idea: a 'Nursery Edition' of Alice with pictures printed in." Lewis Carroll's diary, 15th February, 1881

The Nursery Alice, originally published by Macmillan & Co. in 1890, was the very first colour edition of Alice. It was intended, wrote Carroll, "*to be read by Children aged from Nought to Five. To be read? Nay, not so! Say rather to be thumbbed, to be cooed over, to be dogs'-eared, to be rumped, to be kissed . . .*"

With this new, younger readership in mind, Carroll rewrote Alice, simplifying and abridging the original text, while Tenniel redrew, enlarged and coloured twenty of his iconic illustrations. The resulting book is a delightfully engaging experience, readers prompted to interact not only with the story but also with the images and even the physical book itself, in a way that is thoroughly modern.

Gloriously reproduced for the anniversary year, this edition retains the every word of the original *The Nursery Alice* and restores the exquisite delicacy of Tenniel's artwork - lost in reproductions across the decades - along with the delightful cover artwork by Emily Gertrude Thomson. This gem of a book is the perfect introduction to *Alice*, a delight for child and adult readers alike.

From reader reviews:

James Crow:

Inside other case, little people like to read book The Nursery Alice. You can choose the best book if you appreciate reading a book. Given that we know about how is important the book The Nursery Alice. You can add know-how and of course you can around the world by just a book. Absolutely right, due to the fact from book you can learn everything! From your country right up until foreign or abroad you will end up known. About simple thing until wonderful thing you may know that. In this era, we are able to open a book or maybe searching by internet system. It is called e-book. You may use it when you feel uninterested to go to the library. Let's learn.

Jasmine Myers:

Reading a book to become new life style in this yr; every people loves to study a book. When you read a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, as well as soon. The The Nursery Alice will give you new experience in reading through a book.

Charles Hager:

Beside this The Nursery Alice in your phone, it could give you a way to get closer to the new knowledge or information. The information and the knowledge you will got here is fresh from your oven so don't become worry if you feel like an outdated people live in narrow village. It is good thing to have The Nursery Alice because this book offers to you readable information. Do you occasionally have book but you do not get what it's all about. Oh come on, that will not happen if you have this with your hand. The Enjoyable agreement here cannot be questionable, just like treasuring beautiful island. Use you still want to miss it? Find this book and read it from right now!

Marni Johnson:

As a student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Nursery Alice can make you experience more interested to read.
