El Desarrollo Del Turismo En Lanzarote Tomo I (Territorio Canario) (Spanish Edition) Alejandro Y Hernández Lais, José Ángel González Morales

En las últimas cuatro décadas, Lanzarote ha experimentado una gran transformación al compás de la terciarización de su economía. El turismo es, sin ningún género de dudas, la principal actividad económica y ha desplazado al sector primario como principal generador de riqueza. En este volumen los profesores González Morales y Hernández Luis realizan un detallado análisis sobre los orígenes y las variables condicionantes del motor económico de la isla desde la década de los sesenta, así como de su impacto social y territorial.
