Thomas Sandoz

Historias paralelas de la medicina. De las flores de Bach a la osteopatía (Ciencia Y Tecnologia / Science and Technology) (Spanish Edition) Thomas Sandoz

Thomas Sandoz presenta en este libro un panorama completo de las terapias alternativas, desde aquellas basadas en plantas y magnetos hasta las que se sirven de baños, masajes y dietas. Sin tomar partido por ninguna de las dos prácticas médicas, Thomas Sandoz se centra en la búsqueda de la salud fuera de la medicina oficial y da cuenta de historias fascinantes, donde se entrecruzan místicos y hombres de buena voluntad, premios Nobel y charlatanes probados. Demuestra, sobretodo, que la gente encuentra en estas terapias un alivio que la medicina actual, alejada del paciente, ofrece cada vez menos.
