No-nonsense Avery O'Neill was as by-the-numbers about her love life as she was about the hospital budget she managed. So she vowed to ignore any electricity that sparked between her and hotshot surgeon Spencer Stone—even if sparks buckled her knees at every turn.

Until the business trip that changed everything.

Dr. Stone had his eye on the prize—a state-of-the-art medical system that could save patients' lives. But he couldn't stop thinking about the controller whose cool demeanor hid a life-defining secret. After insatiable passion swept them into an unexpected predicament, could Mercy General's most eligible bachelor convince Avery that his feelings were real...no matter what surprises awaited them?
