A story so timeless, it could have been taken from today's headlines.

This grand account of love, greed, jealousy, hope, manipulation, and faith is pulled from the pages of biblical history—yet this is fresh, new, and never before published. *The Sons of Isaac* is the capstone work of a master of biblical fiction, Roberta Kells Dorr. When God tells Rebekah that she will bear Isaac twin sons and the youngest will serve the older, Isaac is skeptical. But that revelation will forever mark the lives of his family.

The sweeping landscape of this saga ends much as it began and will influence the generations to come.
