From Book 1: "A charming small town filled with inventive characters and sweet romance." --Jill Shalvis, *New York Times* bestselling author

The small mountain town of Nugget, California, has a strange way of giving people unexpected reasons to start over—and find the most irresistible chances to fall in love. . .

Maddy Breyer needs to prove she can make her own life after betrayal blew up her previous happily-ever-after. Staying totally focused on renovating a decrepit mansion into a bed-and-breakfast might help her—and this recession-hit town—finally turn things around. But the mysterious new sheriff is the kind of lawbreaking temptation that's an even bigger challenge to resist. . .

Detective Rhys Shepard is only back in Nugget long enough to care for his ailing father. He's got a big-city promotion far away from this place that never accepted him. He does not need a sudden crime wave to solve. Or one leggy case of heartbreak stirring up all kinds of trouble and challenging his rules. Which might explain why he's suddenly finding it hard to leave. . .
