Moneda y banca. Ideas fundamentales y talleres de aplicación (Spanish Edition)

Blanca Luz Rache de Camargo

Moneda y banca. Ideas fundamentales y talleres de aplicación (Spanish Edition) Blanca Luz Rache de Camargo

La actualidad global e internacional exigen un estudio y tratamiento del dinero y de las instituciones financieras cada vez más detallado, por lo cual es necesario que quienes se dedican a la actividad académica en relación con la moneda y la banca presenten herramientas e instrumentos didácticos comprensibles y prácticos, que faciliten a los estudiantes el conocimiento frente a estos temas de importancia.

El Departamento de Economía hace un aporte por medio de estos documentos, producto de las experiencias pedagógicas tomadas del estudio y la preparación de las clases que orientan la cátedra de Moneda y Banca. Especial reconocimiento al profesor Roberto Márquez, autoridad monetaria, quien gracias a su amplia experiencia como profesional en el Banco de la República y como docente en reconocidas universidades del país ha fortalecido la orientación de esta cátedra en el Politécnico Grancolombiano.
