Politics and Government in Israel: The Maturation of a Modern State

Gregory S. Mahler

Politics and Government in Israel: The Maturation of a Modern State Gregory S. Mahler

This even-handed and thorough text explores Israeli government and politics from both institutional and behavioral perspectives. First tracing the history and development of the state, Gregory S. Mahler then examines the social, religious, economic, and cultural contexts within which Israeli politics takes place. The book explains the operation of political institutions and behavior in Israeli domestic politics, including constitutions and ideology, parliamentary government, the prime minister and the Knesset, political parties and interest groups, the electoral process and voting behavior, and the machinery of government. Mahler considers Israel's foreign policy setting and apparatus, the Palestinian conflict and the question of Jerusalem, and the Middle East peace process overall. This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today.
