But when his brother's fiancée tracks him down to help find her missing love, Talbot returns home to join the search. He learns that something with brute strength and insatiable bloodlust has been killing the villagers, and that a suspicious Scotland Yard inspector has come to investigate.

As Talbot pieces together the gory puzzle, he hears of an ancient curse that turns the afflicted into werewolves when the moon is full. Now, if he has any chance at ending the slaughter and protecting the woman he has grown to love, Talbot must destroy the vicious creature that stalks the woods surrounding Blackmoor. But as he hunts for the nightmarish beast, a simple man with a tortured past will uncover a primal side to himself . . . one he never imagined existed.
