Return to the Big Fancy: A Riotous Descent Into the Depths of Customer, Corporate, and Coworker Hell Freeman Hall

Bigger, Fancier, and more cutthroat than ever!

When Freeman Hall left The Big Fancy to pursue his screenwriting dreams, he thought the horrors of working in a handbag department were finally over. But instead of fame and fortune, he found himself stuck behind a wall of script-killing rewrites, unable to make a living.

In *Return to the Big Fancy*, Freeman shares his wildly entertaining journey back through the fiery gates of Retail Hell. He thought he had seen it all in his day, but with the bar set higher than ever before, employees are now graciously bowing before Corporate as they climb over fellow salespeople, and even friends, to earn enough transactions and commissions to actually survive. As he learns more of the wretchedness that has befallen the sales floor, he realizes that The Big Fancy has its customers and its employees on a short leash. But leave it to Freeman and the threat of disappearing commissions to rally the retail slaves and show Corporate who's really in charge!
