## ROMANCE: PARANORMAL ROMANCE Loving the Alpha (BBW, Alpha Male, Wolf Shifter, Romance) (Paranormal Werewolf Shapeshifter Fantasy) C.J. Ayers

Curvy Kira Bentley is smart, beautiful, frightened and alone. She is a freshly cursed werewolf, and clearly ignorant on the subject of what's happening to her. As if that weren't bad enough, she can't seem to avoid her sexy English professor, either inside or outside of the classroom, and not only does Professor Sawyer Donovan have looks to die for, he also invokes feelings in her unlike any Kira has ever experienced before.

The last thing Sawyer Donovan expected was to find a pretty she-wolf in his English class. A ruggedly handsome young English professor at a prestigious university, the solitary werewolf has enough trouble dodging the unwanted attention of his female students without deliberately seeking one out. Yet, Professor Donovan's sense of honor demands he shelter and guide his student in the transformation that she's experiencing.

When he vows to reach out to her through any means necessary... even calling her into his office at inconvenient hours and detaining her after class, what he isn't planning on are his wolf's strong insistence on his young protégé being his mate.

As the full moon draws nearer, and student and professor find themselves reluctantly drawn to one another, can Sawyer fight his growing attraction to the one woman he knows he can't have? Can Kira, convince Sawyer to give in to forbidden passion, if only just this once?

What will happen when Sawyer reveals the secret he has been guarding - that the date Kira was mysteriously bitten aligns a little too perfectly with his last blackout?
